

# Know the Fire

## IGNITE

Week of February 9, 2020

Ignite • Acts 2 • Message 1

PRAY • 15 YEARS AGO, CLASS TO LAUNCH • 14 YRS, LAUNCH TEAM

### Icebreaker

What did you think of Sunday's unified worship experience?

Did you meet anyone new to you?

Think about one of your most meaningful experiences of corporate worship. When was it? What made it so meaningful? Share with the group.

### The Original Church Launch

**Read Acts 2:1-4, 42-47.** The church launched when the Holy Spirit came upon believers in tongues of fire. What behaviors did they adopt in response?

Why would those behaviors have been important for them back then?

How do those behaviors translate to North American Christianity?

*On Sunday, I talked about the importance of four basic behaviors the early church adopted, and I called them the principles of ignition. They include knowledge, emotion, relational living, and sharing Jesus with others. Simplified into four verbs, we have **Know, Feel, Live, and Give**. Tonight, let's start with the first one.*

### Knowing the Fire

For each one of the passages, share what that passage teaches you about God.

- Exodus 3:1-15
- Exodus 13:21-22, 14:19-20
- Exodus 19:16-19, 20:1-3
- Isaiah 6:1-7
- Malachi 3:6-7

What does it mean to you that God is **holy** but **loving**, that he **knows** his own and **commands** them but also **forgives**, and that he **never changes**?
